

CHNA Annual Meeting Minutes 11/10/12

LOCATION: Roanoke Community Center

START TIME: 6:30pm

IN ATTENDANCE:

Ryan Long, Ryan Lee, Brian McMillan, Lisa Ferguson, Sonya Andrews, Gina Rizzo, Karen McCoy

ANNUAL MEETING

- Google Fiber spoke about internet speeds (1000 MBPS) and the Google Art Project
- Police spoke about the value of security cameras at neighborhood entry and exits.
- Police recommended that we call the schools if we notice bus drivers speeding through our neighborhood.
- Call 311 for abandoned properties
- New Board Members: Jeff Harms, Anita ?, John Hudson, Chris Theis (taking over for Larry Bowman)
- Caroling will take place at 33rd Terrace and Coleman Rd on Christmas Eve, 7pm

While the meeting ran long, it seems that we didn't really cover as much neighborhood association-specific topics as we might have. How could we better accomplish this for the next annual meeting? Also, it's possible that Sonya didn't take the best notes of all time and could probably pay closer attention in 2013.
